

TRARALGON TENNIS ASSOCIATION SPONSORS MEMBERS FLYER 2025 - 2026

We welcome you to use the facilities at the club whenever you can.

Social Hitting You are welcome to come down for a social hit at any time you wish to. The code to the gate is C1978. Please remember that non-marking soled footwear needs to be worn to play on the courts, please remind any guests you bring also. No animals, bikes, prams or scooters are permitted on the courts. The only time that you may be unable to play on a court is during any tournaments the club may be hosting.

Discount rate to hire the function room If you have a function coming up and would like to hire the function room, we are happy to offer you a Members Discount.

Cost to hire the function area is \$350.00 which includes use of the function room, use of the kitchen, bar staff and cleaning of the venue. Please note that 21st Birthday parties are a slightly higher rate. Please contact Susie for any further details.

The support our local businesses and companies continue to give the Traralgon Tennis Association is amazing, please support them when you can!

Major Partner

AGL Loy Yang is proud to have partnered with the Traralgon Tennis Association to support the Traralgon Junior Tennis International for over 30 years. The competition, held in January of each year, showcases the best junior tennis players, with competitors travelling from all over the world to compete.

For more than four decades, AGL Loy Yang has generated energy to power the state of Victoria. The site owes its long-lasting success to the dedication and expertise of its workforce, many of whom have spent their careers at Loy Yang.

AGL Loy Yang is committed to maintaining strong relationships with the Latrobe Valley community, and pride ourselves on continuing to support the community in which we work and operate in.

Latrobe City Council has a proud history of working in partnership with the Traralgon Tennis Association to support the AGL Loy Yang Traralgon International and many other high calibre events and community programs hosted by the Association. Council has worked with the Association to deliver significant upgrades over the years to ensure it remains a leading regional tennis venue for locals and visitors alike. Traralgon Tennis Association is a shining example of Latrobe City's values with their quality events, facilities and community assets that promote participation in active recreation.

Latrobe Regional Health is a proud supporter of the Traralgon Tennis Association.

The TTA does a great job of promoting active lifestyles and being welcoming and inclusive to everyone. It's a purpose which aligns nicely with LRH's values of integrity, respect, working together, excellence and being person centered.

Our health service is the largest in the area, but we work in partnership with hospitals and other health providers across Gippsland.

Over the years we've expanded our specialist services to include cancer care, cardiology and palliative care, so you can get treatment and support as close to home as possible. We also have an extensive research and clinical trials program, inpatient and community mental health services and public health programs through the Gippsland Region Public Health Unit.

Did you know we are also the largest employer in Gippsland with almost 3000 staff? Not all of them are nurses, doctors, allied health staff or clinicians (although they all do a great job!). It takes a lot to keep a hospital going so our non-clinical roles include finance and business, caterers, cleaners, security, admin, IT, community engagement and of course our Community Champions volunteers.

Go to lrh.com.au to explore everything on offer!

Aussie Broadband is a proud local Gippsland company and one of Australia's largest providers of high speed home broadband and great value SIM only mobile plans. We provide 100% local support and a custom-built network that Australians can rely on for speed, reliability, and peace of mind.

From a small regional provider in 2016 to thousands of new customers joining each month, we have grown across the country, with offices in Morwell and nearly all the major capitals, while always staying true to our Gippsland roots.

That commitment is why we were named Australia's Most Trusted Internet Provider in the Canstar Blue Awards 2025 (<https://www.canstarblue.com.au/awards/most-trusted/>).

We are proud to support local Gippsland organizations and events like the Traralgon Tennis Association.

Each one of our scrumptious schnitzels is crafted the Schnitz's way, hand crumbing and a special pan cooking technique that seals in delicious flavor. We use the freshest local ingredients, and all are served the way you want. In a wrap. In a roll. As a snack. Or as a delicious plated meal. And do not forget to get a side of our famous chips! Gluten Free or Vegetarian? Do not worry, we have you covered with both menu options also.

O&M Pty Ltd is a locally owned and based Operations and Maintenance company, established in 2013 and currently employing in excess of 130 people.
